

Wartrace Chamber of Commerce

Post Office Box 543, Wartrace, TN 37183

www.wartracechamber.org

Dear Friends –

Business owners and individuals alike often wonder how the Wartrace Chamber of Commerce benefits them or their business. Our primary mission is to provide a supportive organization that benefits all local businesses, and individuals that reside or do business in Wartrace. We provide this support in several ways:

1. Directing travelers

Maintaining public signage on I-24, TN highway(s) 64, 82, and 269. This signage serves as ‘silent ambassadors’ directing travelers to downtown Wartrace, and supporting or local businesses.

2. Creating additional awareness

Our rack cards are on display at Interstate Welcome Centers, Bedford County businesses, and participation in the Tennessee Backroads Heritage.

3. Promoting & sponsoring special events

Our Chamber sponsors several events annually, including – Strolling Jim 40 mile run, Wartrace Music Fest, Town -Wide Yard Sale. We assist in promoting the Wartrace Horse Show, and the Christmas tree Lighting Ceremony.

4. Sharing attraction and additional information via the Internet

We provide a historical perspective on Wartrace’s rich history, a calendar of events, a list of active members, and other resources on our website. Our Facebook page promotes local businesses by ‘friending’ them, liking their posts, and re-sharing posts of interest.

We strive to provide structure and process to existing initiatives, and guidance on new activities and ideas. We are open and encourage new ideas that are designed to provide a better environment for businesses and individuals in Wartrace. Together through your membership and participation, we can continue to develop Wartrace into a vibrant and exciting community for all.

I look forward to working with you.

Bert W. Buri, President

Wartrace Chamber of Commerce
